

Annie Reviews

Just wanted to say a massive well done on today's performance. My children were entranced for the whole show and were buzzing about it all the way home. We really enjoyed it and my husband, a teacher at another school, was very impressed by the high standard

Well done, everyone! You are a fantastic team.

My husband and I have just returned from Annie and thought it was a lovely show. The acting, music and dancing were excellent. We really enjoyed it and came home humming the tunes. I think the rest of the audience did too. There was a real feel-good factor and everyone went away happy. Many congratulations and thanks to you and all involved.

Well done all, it was fantastic!

Well Hartismere have done it again! What a fabulous production. Just as ambitious and professional as last year with the added genius of a revolving stage which the actors used magnificently. Please pass on my congratulations to everyone involved with the show you are all undeniably awesome! Again I'd like to point out that I know no one in the cast or crew and my children don't attend Hartismere we came because of your reputation and once again were blown away. It was particularly wonderful to recognise faces from last year's show and to see how much they have developed as performers. A heart felt well done!!

Wow. So impressed I've booked another ticket. Actors, musicians, lighting, sound, backstage and everyone else involved, what a truly professional and amazing show you've put on . Well done everyone.

I firstly just wanted to congratulate you all on such a fantastic show, it was awesome. Secondly I'm afraid Rose is unable to be in the show tomorrow evening, I'm really sorry. She has piano lessons on Monday evenings and her grade 4 exam is next Friday so her piano teacher is very keen that she doesn't miss any lessons. I tried to move things around but unfortunately could change the lesson. She will be there Tuesday for your final show.
Many Thanks

Please can you pass on my thanks and congratulations to all the staff and cast and crew on the school production of Annie.

It was another resounding success that we thoroughly enjoyed! The singing was spectacular, dancing charming and the acting superb, accompanied by brilliant musicians, as always.

We are thrilled our children have the opportunity to take part in such a production. Thank you for all you do to make this possible. It must be such hard work!

Special mention for everyone's resilience in the face of the snow too! The communications to keep everyone up to date were excellent. We knew exactly what was happening at every stage. Thank you!

I wanted to congratulate you and your team on another excellent musical production. So many elements worked really well including the set, choreography and music. The performers were excellent, it would be unfair to pick out individuals. What talented students you have. All this against a background of disrupted performances due to the weather which must have involved additional challenges.
